

AICHA

DAY 1: FES

On arrival at Fes Airport, you will be met by our representative and transferred to your hotel.

DAY 2: FES-MIDELT-DESERT

We will set off for Midelt via Ifrane – also known as the Moroccan Switzerland; we will stop and rest in the forest of Azrou where we will be able to enjoy watching the monkeys play in their natural habitat, among the millenary cedars, and then we will continue our journey through the Middle Atlas Mountains until reaching Midelt. We will then go through the Ziz Valley and its gorges to reach Erfoud, from where we will follow a track leading us to the desert and we will travel among the dunes up to the Kasbah. Overnight stay at the Kasbah.

DAY 3: DESERT

A day reserved for enjoying, revelling and experiencing the desert in its purest form; we will start our day in the village of Hasselabied where we will enter its most precious secret of existence, a palm grove created and looked after by the entire community. We will continue our trip among the dunes and desert tracks passing by Merzouga and we will travel through time when visiting the small village of Khamlia, which is inhabited by nomads from sub-Saharan Africa. Here, we will hear some popular African music Gnawa and the locals will accompany us on a tour of their village. We will then rest and enjoy the swimming pool at the hotel and, in the evening, we will get on a camel and travel deeper into the heart of the desert and lose ourselves in its immensity with the aim of spending one night under the stars at kHaima, just like the authentic Berber people, with whom we will enjoy their drum music and a typical dinner

DAY 4: DESERT – FES

We will wake up at daybreak to see the impressive desert sunrise and after a delicious breakfast and a quick shower at the hotel we will continue our experiences among the dunes. In the afternoon we will head back to Fes.

DAY 5: FES:

Depart at any time to fes airport.
